

**MODIFICATION of ASSESSMENTS  
TSES 04.03.11**

**COMPLIANCE**

IEP includes a statement of any individual modifications in the administration of state and/or district assessments that are needed for the student to participate

When it was determined that the student will not participate in state and/or district assessments, IEP included a statement of **why** it was inappropriate for the student to participate

*“Student requires specialized curriculum with Extensive levels of support in multiple environments.”*

When it was determined that the student will not participate in state and/or district assessments, IEP included the established alternative standards for the student

**NON-COMPLIANCE**

IEP does NOT include a statement of any individual modifications in the administration of state and/or district assessments that are needed for the student to participate

The box indicating that there are NO state and/or district assessments for the student at this age/grade level is left blank

When it was determined that the student will not participate in state and/or district assessments, IEP does NOT include a statement of **why** it was inappropriate for the student to participate

When it was determined that the student will not participate in state and/or district assessments, IEP does NOT include established alternative standards for the student

**For correction:**

**Ensure that the modifications of assessments are adequately written in the next IEP of the student’s whose file was cited. Submit entire IEP**
